“The Cross Changes Everything”

A borrowed tomb now empty. A crucified Savior Risen.

Once hollowed lives now filled by the promise of life everlasting purchased by the blood of the Lamb that was shed for us. Christians everywhere have reason to rejoice! Our victorious Champion died on the cross, but now lives and reigns and offers forgiveness and redemption for all who will believe! The thought of the cross is no longer dark and frightening, but is instead the symbol of our hope and freedom!

With narration from Peter’s perspective, “The Cross Changes Everything” is a heart-stirring new musical for Easter that takes us on a journey from Peter’s call to leave his fishing nets behind, the triumphal entry, the grueling walk down the Via Dolorosa, the Crucifixion, and to Jesus’ ultimate victory over the Grave!
