All Church Yard Clean Up on Aug. 5

Beginning at 6:30 am at East Campus

The berm is 3-4 times larger than our current berm.

We will need to weed and clear debris, pull trees, pull and trim bushes and locate and get the watering systems in working order. If you have a chain saw, pruning saws, a pickup or anything else that would be needed for clean -up, plan to bring it with you.

Lunch and drinks will be provided.

Your help is appreciated!

We had a great week at **Maker Fun Factory** as kids of all ages learned that we are all created by God, built for a purpose. We sang new songs, learned about God sightings, watched awesome skits with a guy named Ivan, did cool experiments and even made new friends all while we learned about Jesus.

Thanks to **everyone** that helped with VBS this year to make it successful. We could not have done it without you! There were over 100 volunteers that made VBS possible from crew leaders, station leaders, set-up team, snack preparers to all the behind the scenes things that made this week possible. We averaged over 100 children in attendance each night at Maker Fun Factory.

With all the fun and learning we had, we are asking you all to consider a donation to help offset the cost of VBS. Please prayerfully consider making a donation to help with the costs for VBS by marking VBS in the memo.

Thank you for all your thoughts, prayers and support for the week of VBS! Holly Peterson
